7. Once you have downloaded **SIMS Parent**, you will be asked to sign in using your chosen log-in account details. Once you have registered you can also use [www.sims-parent.co.uk](http://www.sims-parent.co.uk) from any web browser.

8. Once logged into the app, you will see a screen with options for Assessment, Attendance, Timetable, Reports and Data Collection. From the homepage you can select which of your children you would like to see details for.

To see any comments, please select the Attendance option. Dates where comments have been left will be identified by a triangle in the upper right corner of the date.

Reports will be made available in pdf form so these can be viewed on your phone, tablet or computer.

Key dates can be viewed in the calendar and any messages sent to you will be available under the Messages option.

The Data Collection option is used to notify the school of any changes in your or your child's details.
