

GCE (A2 & AS) CCEA Post-Results Service

There are 3 options when requesting to have an exam paper remarked. Please note Controlled Assessment or Coursework Modules will not be remarked by CCEA as they have already been Moderated.

1. Service 1

Clerical re-check – checks all parts marked, totals all correct and marks recorded correctly.

2. Service 2

Review of marking – review of the original marking to ensure mark scheme has been applied correctly and **includes** a clerical re-check.

3. Priority Service 2

Priority review of marking for GCE modules only. Candidates are advised to apply for this service only if a place in higher education is dependent on the outcome.

Candidates can also ask CCEA for Access to a digital copy of their script **before** a review of marking.

Please check your results slip to determine which type of service you need to pay for and use the table below to check which form or forms need to be completed and the deadline date.

All forms should be fully completed using the result slip including signatures where requested. An example portion of a result slip is shown below to. Please note any incomplete forms will be returned and may miss the deadlines.

AS modules – **must** make payment via ParentPay before the school deadline.

A2 modules – can be paid by cash/cheque in school office.
