We are encouraging all pupils to have respect for those individuals who menstruate, understanding that not all people who menstruate identify as female.

We are encouraging pupils to respect property of others through providing period products across the school. This requires pupils to use them appropriately and take responsibility in seeking assistance from the relevant staff members should they need topped up.

Encouraging pupils to feel confident in discussing periods and issues surrounding periods, reducing the stigma associated with the topic.

We will be working in partnership with parents, so they understand the Period Dignity Scheme and its aims and objectives. Ensuring parents understand what we as a school will be providing for pupils in regard to period products.
