

RAINEY ENDOWED SCHOOL

Teacher of Art to A Level with Key stage 3 Technology

Commencing September 2026

Principal's Message

Thank you for your interest in Rainey Endowed School where the 3-way partnership of parent, school and pupil is clear for all to see.

It is a great honour to be Principal of such a high-performing school, where our pupils are not only academically successful but develop as happy, confident individuals and responsible adults. Our academic outcomes continue to go from strength to strength at GCSE and A Level, placing us in the top 15 of Northern Ireland schools and top 50 in the Sunday Times UK State Schools. However, our school is much more than just about results.

Our staff work extremely hard delivering wrap around pastoral care and outstanding learning and teaching. This commitment to pastoral and academic fusion demonstrates that our pupils are at the centre of everything that we do.

The study of Art and Technology plays a vital role in shaping students by fostering creativity, innovation, and critical thinking. Through these subjects, students develop an understanding of design processes, visual communication, and practical problem-solving, while also learning how creative ideas can influence the world around them. Art and Technology encourage pupils to explore their imagination, refine technical skills, and build confidence in expressing ideas through a range of media and materials. Pupil leadership is also a core focus within the school. Opportunities such as musical choirs, orchestras, the Community Group, the Sixth Form Committee, Student Council, Wellbeing Ambassadors, academic mentors, and a wide range of clubs and societies contribute greatly to school life and enable students to develop responsibility, collaboration, and leadership skills.

Recent school infrastructure improvements including two Astro pitches have been recently completed and building works on the refurbishment of the canteen and Physics and Chemistry labs is due in the Autumn term of the 2025/26 academic year.

I am eternally grateful for the continued support of the Rainey Family: staff, parents, alumni, pupils and the Board of Governors. We are proud of all that we do but know that we can still get better, by encouraging each other to be first class versions of ourselves.

I look forward to meeting you!

Best regards,
